

PIANO LESSONS AT CCA

Cost \$75.00 per month

(payable to CCA at the beginning of each month)

New students must make a 3-month commitment to lessons.

Piano lessons at CCA are offered to students in grades 1-8. Each lesson is one-half hour in length, once per week. The lesson is scheduled in consultation with the student's classroom teacher in order to minimize the academic impact. Please bring any method books previously used to your first lesson. You will reimburse Mrs. Wilkinson directly for any new books she may purchase for you. You will be notified of recital dates as they are scheduled. Lessons begin the second week of September.
