

2011-2012 Fall Sports

5TH – 8TH GRADES

If your child is planning on playing Fall Sports, please complete this form and drop it by the CCA office, along with your \$60.00 sports fee (fee remains the same as last year). This will enable us to have an estimate of the number of participants for each Fall Sport, which will help us tremendously in our planning process. **Reminder:** Students planning to participate in a Fall Sport (or any sport this school year) must have a valid sports physical on file in the office before they will be eligible to practice. Physical exams for **Fall Sports**, need to be dated **December 1, 2009** or later to be valid for the Fall Sports. Some parents have had great success with the walk-in clinics and found them to be fast and reasonably priced.
