September 1, 2016

Dear Parents,

Welcome Leopards to the 2016-2017 school year.

September theme: All about me & Apples.

We are a **Nut Free Campus!**

Due to the Extreme allergies some children have to any kind of nuts. Please keep this in mind if you ever send food to school.

First Field Trip-Thursday, September 29th. We are going to **Lattins Cider Mill**. Cost: \$4.00 per child and \$1.00 per adult. We will taste apple donuts & cider, see and feed the animals and ride the animal train.

Coats are needed to wear outside in the mornings and for in the rain when we walk to and from the main CCA elementary building.

Class begins at 9:00 am. If you know your child will be late or absent please call **360 493-2223** and ask for my extension **#503**. It is really helpful to know for an accurate snack and lunch count and for curriculum planning.

In **September** we will be practicing coloring, tracing, cutting, gluing, painting etc. It gives me a chance to get to know where each child's strength and weakness are.

In **October** we will begin our regular curriculum and each week we will learn a new letter, number and a memory verse. "Raising A Reader" program will begin as well.

Cookie Dough & Magazine Fundraiser- Starts September 28 - Oct. 13. More info. will be sent home later.
