## WELCOME

to our  
2016-17 Preschool Year

### SEPTEMBER EVENTS:

9/6	First Day of 16-17 School Year
9/16-10/3	Cookie Dough Fundraiser
9/22	First day of Autumn

### COMFORT, DAILY & NAP KITS:

Please make sure that your child's **Comfort Kit** have been turned in to your child's teacher or updated for the 2016-2017 school year. This Kit is for emergencies and we recommend each child have one.

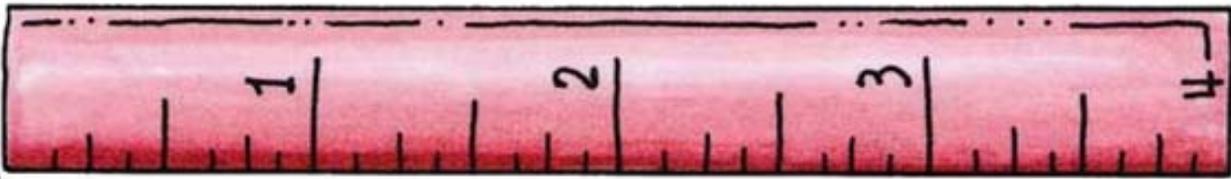

Each Child also needs a **Daily Kit** with a full change of clothes which is kept in the upper small compartment of their cubby.

If your child attends full day, please make sure that you have a **Nap Kit** and that all of the items are kept in a duffel or zippered bag, and are small enough to fit in your child's cubby space.

### FILE BOXES:

Please check your child's file DAILY. This is where all of their work from class is put as well as any communication from their teacher, field trip permission slips, etc.

You may also leave any notes, and/or communication for the teacher in the "Teacher" file located in the back of the file box labeled with the teacher's name.

### **FALL WEATHER IS COMING!**

The weather will be changing and staying cooler in the morning, and cooling down again in the afternoon, so please remember to **send a coat to school with your child every day**. A light jacket is fine. Also, please remember to make sure that it has your child's name clearly labeled on it. Thank you.
