

Playful Pandas September Newsletter

Welcome families! I hope everyone is enjoying the start of our new school year. In the classroom we will be focusing on routines, classroom and playground rules and expectations. Everyone is off to a great start! The children are all doing extremely well getting acquainted with each other and even with me! We are learning our morning prayer, circle songs and silly finger plays.

For the month of September our first learning theme will be Self. We will work on self- portraits, body tracing and talk about our favorite things. We will then move into our second learning theme, Apples. We will learn about how they grow, talk about how they taste and even paint with them! We will start our official curriculum (A Beka) in October. Parents, please feel free to meet with me or call me if you have any questions or concerns.
