

## Pandas November Newsletter

November is here! This month we will learn about Thanksgiving and the special friendship that took place

between the Pilgrims and the Native Americans. We will create our own Thanksgiving story book and make delicious mini pumpkin pies! For our academic curriculum we will focus on letters D, E, F and numbers 4, 5 and 6. I feel that the class has now settled in. There has been so much socializing and interacting going on it's been wonderful to see these new friendships develop. I would like to thank all of you who planned to attend our field trip, unfortunately due to my illness our trip had to be cancelled. Hunter's Family Farm did not have any openings for us to visit the following week and since they close their pumpkin patch after October 31<sup>st</sup> we were unable to reschedule our trip. As the cold months set in I like to give the children a warm treat with snack, hot chocolate! I will provide my kettle (to warm water-not milk), cups and toppings. I would appreciate if some parents could bring in one box of instant cocoa mix. I have done this over the years and the children love it!

Reminders; Return book bags on Wednesday

Coats needed every day!

Important dates; Friday November 4, Harvest CCA Carnival

Friday November 11, Veteran's day school closed

Thursday November 24-25 Thanksgiving vacation school closed
