

# February 2017

Greetings!

Thank you for helping to make the "new teacher" transition go so smoothly. I am enjoying getting to know your child and have totally fallen in love with our class. I love kids, and think they're very important people!

We visited the kindergarten class at CCA and Mrs. G told us the story "If You Give A Mouse A Donut". Then we got to make a donut. I was so proud of them. We plan to visit again at the end of the month.

February is the month of celebrating friends and we will have a Valentine's Day Party. Please be watching for more information coming soon about our party and a class list for Valentines.

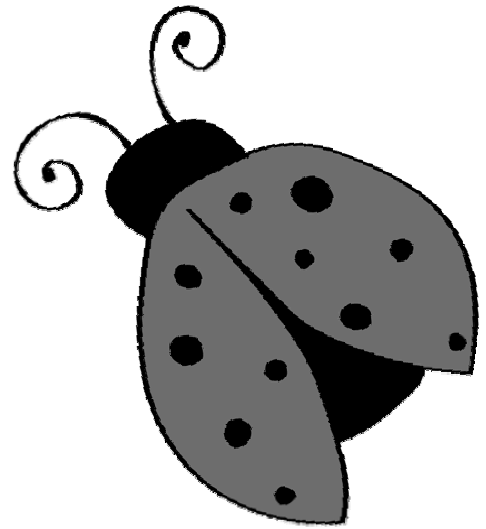

Your kids are awesome!  
Mrs. Burdick

Bible Verse:

"A friend loves at all times."

Proverbs 17:17
