

# February 2017

We will be having a **Valentines day cookie decorating party** on February 14 (Tuesday). We will decorate cookies, play games, and exchange Valentines with each other. Each child will decorate a bag to collect Valentines in. Please know that *if you do not wish to bring class valentines from your child, you do not have to!* However, the kids always enjoy exchanging them with their friends. I will be posting a sign up sheet for treats in the lobby soon. I have also attached a class list so you know everyone's names for the valentines.

CCA is hosting a **Daddy Daughter dance** on Saturday, February 11th from
