

# Pandas March newsletter

March is upon us! Our themes for this month will be Literacy (Books and authors) and Nutrition. We will discuss our love for books and how they are made. I would like to encourage each child to bring in their favorite book so that we may share it with the class. The children will also get a chance to make their own books! As for Nutrition we will learn about healthy food choices and how important it is to our bodies. We will have cooking activities during these weeks also. For our academic focus we learn letters P, Q and R and numbers 14 and 15.

## Reminders!!

Check your child's file

Return red book bags on time

Make sure your child has extra clothes in their cubby
