

March 2017

I can't believe its already March! Miss Daugherty and I offered my replacement position to a very qualified and experienced candidate, Katelyn Hoffman– and she accepted! She is wonderful and will make a great fit. She has visited a couple of times and the kids already love her! She will be in our room helping me and getting to know your kiddos a few times a week until I leave at the end of April, to ensure the smoothest transition as possible! I can't wait for you all to meet her!
