

What is a Foundation Campus Business Partner?

A Business Partner is a company that partners with Community Christian Academy and Northwest Christian High School (also known as The Foundation Campus) through their prayerful and financial support of the mission and purpose of CCA and NCHS.

Reasons to become a Foundation Campus Business Partner:

- To receive recognition as a partner of The Foundation Campus to over a 1,000 active members of the CCA & NCHS Communities
- To support CCA & NCHS students with tuition assistance
- To support CCA & NCHS with facility improvements, technology enhancements, athletics and more

How to become a Foundation Campus Business Partner:

1. Complete and return your pledge card to the CCA Front Office
2. Submit your company logo

Logo Submissions:

Please send your company logo via email to Heather Hanners at heatherh@foundationcampus.org in both of the following formats:

- A black and white vector image
- A full color vector image

These formats will allow us to present your logo in the highest possible quality. If you are not familiar with the specifications, check with the artist who prepared your digital art or the printer that produces your letterhead and business cards. (Your company logo will be published on signage or in publications only after first payment is made. First payment is due by August 1, 2011 to be included in all Fall publications and by December 1, 2012 to be included in all Winter and Spring Publications).
