

Commitment to Success!

A Parent Contract 2017-18

We want Raising A Reader to last a long time in this community, helping many families build literacy skills within their young children! Therefore, we ask that you make several **PROMISES** before accepting the book bags. These promises help the program materials stay in good shape and ensure the best outcomes for you and your child: They reflect on your commitment to help prepare your child for school success and develop a love of books!

RAISING A READER and YOUR PROVIDER ask that you:

- ❖ Attend a **parent orientation** information night (date TBD)
- ❖ Watch the “**Read Aloud**” DVD at least once! Only a few minutes long.
- ❖ Help your child **take good care** of the books and book bags!
- ❖ **Return book bags** to your provider **on time** as scheduled!
- ❖ Plan on attending **family literacy events** offered at your child care!
- ❖ Watch for and try **fun literacy activity suggestions** sent home!
- ❖ Come with your family to the **RAR Library event!**
- ❖ **Read** from the book bags often.
- ❖ Fill out and return our end of the year **program survey!**

**Please sign below, showing that you accept these commitments!

This contract will be your “**ticket**” to begin receiving Raising A Reader materials!

Let your teacher know right away if you have any questions regarding Raising A Reader or any problems with the daily reading. Our RAR coordinator has a lot of helpful resources too!
